Asia is booming – not only in terms of population, but also in interior design and architecture, and in the decorative and fine arts. Now available in paperback, this book showcases nearly forty of the most beautiful homes in Malaysia, Japan, Thailand, China, Cambodia, Java, Burma, Indonesia, Singapore and Bali, all captured through the lens of the exceptional architecture and interiors photographer Massimo Listri. From the sumptuous decoration of the Ming dynasty to the simplicity of feng shui design, few design styles reference such a rich range of cultures; but whatever their style, wherever their location, all the featured houses have a distinctive air of visual excitement and vibrancy.

- Massimo Listri's mouthwatering images highlight the fusion between tradition and modernity that epitomizes contemporary Asian style.
